

HOLE IN ONE INSURANCE

Prize Indemnity, Built for Tournaments.

Why This Coverage Matters

Charities, businesses, and community organizers all want a hole-in-one prize that draws a crowd, but few can afford to pay out a six-figure win on their own. This program covers the prize so the organizer carries none of the risk, giving brokers a simple, low-cost product to add to every tournament conversation.

Key Benefits

- **Single Tournament Coverage:** Prize limits to \$100,000, with multiple holes and multiple rounds available on a single policy. Built for one-day events, corporate outings, and standalone fundraisers.
- **Seasonal Tournament Package:** Prize limits to \$50,000, covering 5, 10, 15, or 20 tournaments on a single policy. Built for clubs and organizers running a full season of events.
- **Prize Reinstatement Option:** If a golfer wins the hole-in-one prize, this option reinstates the full prize for the remaining field, available for an additional premium.
- **Competitive Rates, Fast Quotes:** A straightforward quote process designed to move at the speed of a tournament planning timeline.
