

STOCK THROUGHPUT

Coverage for Cargo and Inventory Stock including Raw Materials, Work in Progress and Finished Product worldwide.

SPG Canada

WHY CHOOSE US FOR YOUR CLIENTS?

Features

- Stock and Transit coverage on a single policy with highly competitive rates.
- Goods are covered at all times during the manufacturing process, from the inbound raw goods to the finished products.
- Worldwide coverage for storage of stock at owned or third-party premises.
- Actual Cash Value, Replacement Cost and Selling Price valuation can be provided.
- Selling Price Valuation includes the insured's mark up, which reduces the need for Business Interruption insurance.
- Capacity for catastrophe perils, such as windstorms, flood, and earthquake, regardless of location.
- No requirement for monthly reporting.

Target Classes

- Manufacturers
- Wholesalers
- Distributors
